Please remember to drive SLOWLY throughout the community and refrain from parking on the streets.

Overflow parking is provided for guests, not regular use by residents. Also be sure that you and your guests are never blocking driveways or parked on curbs or grass. The Police may be called and/or towing enforced for failure to comply.

Thank you for your efforts!

Pet owners are reminded to pick up after their pets when walking them. Also, pets should always be on leashes and never allowed to run loose throughout the community. Please be considerate of your neighbors!

Community Updates

Parking Guidelines: New parking guidelines will become effective January 1st. They are available on the community website and will be mailed to all homeowners with the 2014 budget.

The **lawns** have been aerated, seeded and fertilized. For the next two weeks it is vital that turf area is not mowed or heavily treaded upon during this time period. It is extremely beneficial if the turf areas are watered daily for about 20-30 minutes, especially during these days of no rain fall. Cox Landscape Management appreciates your cooperation in making your turf look it's very best.
