Community Updates

A **Parking Committee** has been formed to study the parking issues/problems within our community. The Committee is chaired by Sydney Collier. Please contact Sydney at scollier2@triad.rr.com if you would like to serve on this committee. If you do not care to serve on this committee but have ideas or comments, please contact Sydney so the Parking Committee can review them.

The **lawns** have been aerated and seeded. It will be a few weeks before Cox Landscaping will mow to allow the new seed to germinate and take root. As our usual schedule, pine needles will be put down in late February, early March.
